PORT MACQUARIE - Day Trip HORSE RIDING

February 2020 Date to be advised

Travel to the horse-riding near Wauchope. Enjoy a 1-hr horse ride, morning tea, buffet lunch after the horse riding in Port Macquarie. Time permitting quick stop in Port Macquarie to do some shopping. Return home.

The well-trained staff/guides give each person a personal riding tuition, or for the experienced riders just an explanation of their mount's temperament and riding aides. What makes our rides so unique and popular is the fact that we can conduct a ride with a wide variation of experience levels and everyone will get the ride they are capable of. We do this by sending out multiple guides. An experienced rider can come with their beginner-rider friends and still enjoy their ride getting the opportunity to canter while beginners are learning to trot.

Everyone learns to trot (yes even first-time riders), however if you want to just walk then you can just walk. No pressure. Our horses are truly amazing, with our experience and guidance you will learn a lot with us.

Our rides are taken through our private valley trails. Undulating shady Eucalypt forest, rainforest and bushland, crossing the beautiful Frazer's Creek running straight through the middle of our valley.

After the ride relax in Bellrowan's rustic Bush Inn where we serve you freshly baked damper with jam and cream and you can take in the fun friendly atmosphere of all the farm animals and peace and quiet of this unique bush hideaway.
