

## V8 RACECAR RIDE

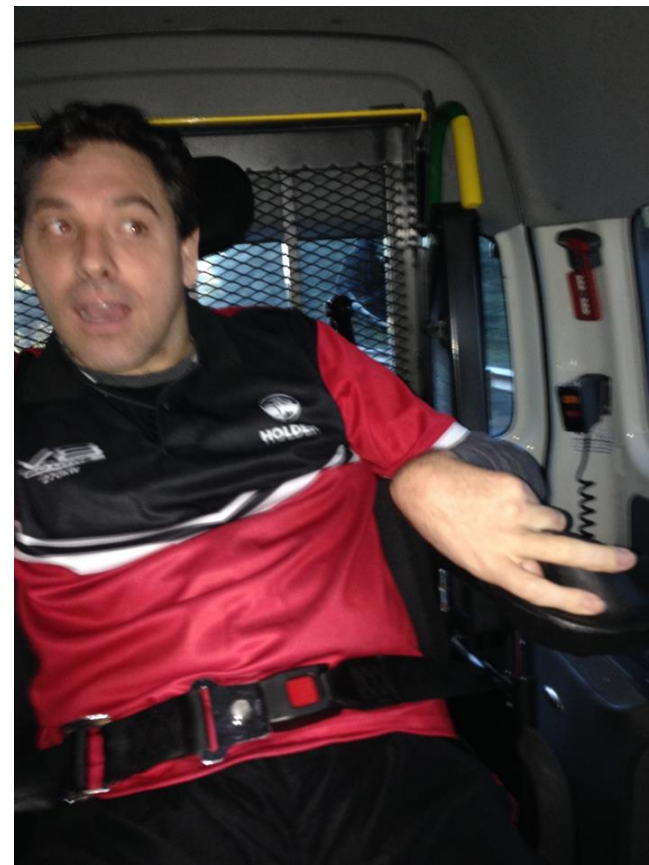

Eastern Creek, Sydney 8 August 2016

Nothing shakes the body like the roar of a V8 race car, and nothing stirs the soul more than a session of hot laps in a V8 six-speed Commodore around the circuit at Sydney's legendary Eastern Creek Raceway, a challenging circuit. This world class circuit hosts the V8 Supercars and A1 Grand Prix. Feel the excitement and g-force of V8 performance racing with Australia's premier V8 experience team for 3 laps at Eastern Creek. This legendary track is sure to get the blood pumping! Driving in an anticlockwise direction, this track delivers a challenging mix of long straights, tight and tricky corners, rising curves, hills and flats. Be prepared to experience speeds of up to 200km/hour. It's a great test of high speed cornering and braking that is certain to thrill.

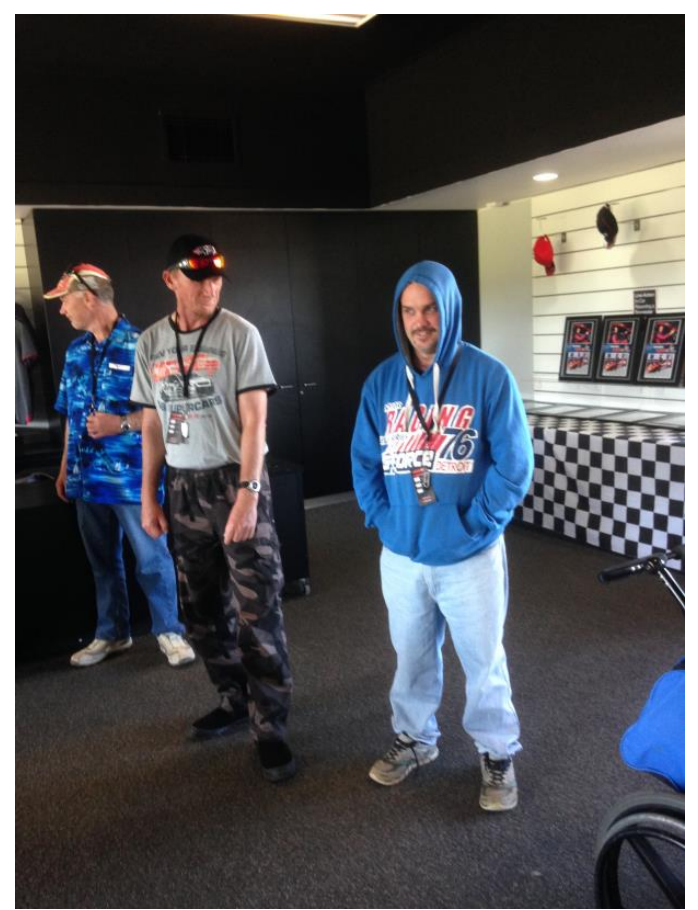

Some of the Rev Heads in the bus and on the way

Drew Is In The Back Keeping An Eye On Things!!

We have arrived at the Racetrack, off the bus, a quick drink and then head inside for the fun!!!!!!!!!!!!!!!!!!!!!!

C'on Michelle, pay the money and let's go!!!!!!!!!!!!!!!!!!!!!!

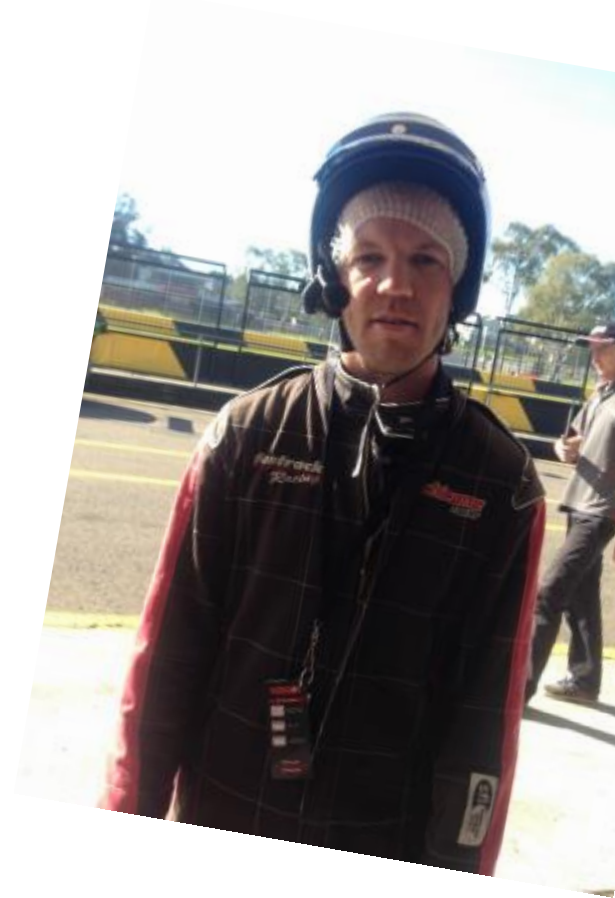

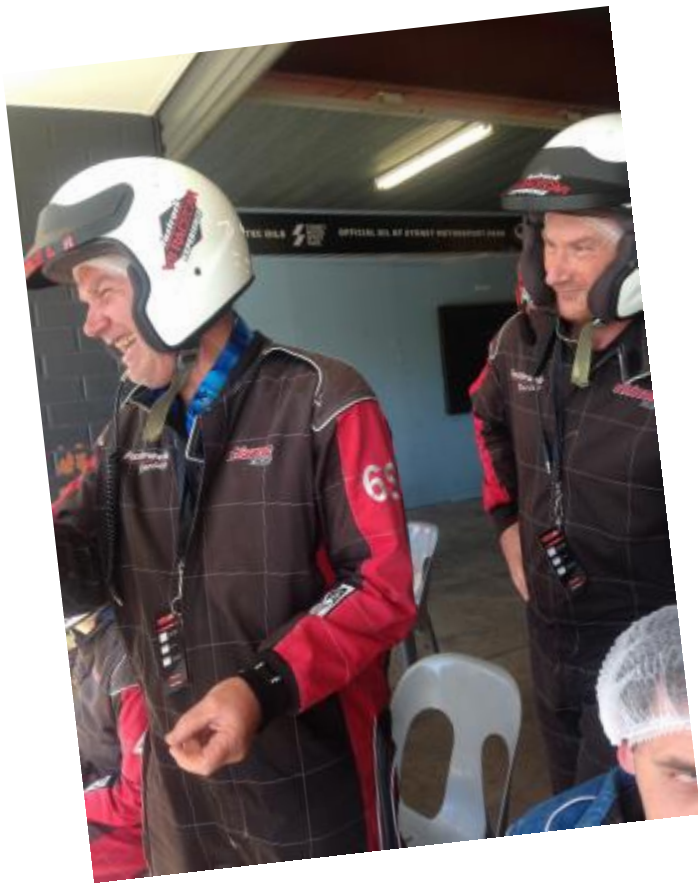

Nearly ready for action..  
Just a couple of more  
safety items first....

Need to  
protect the  
hair now ....  
☺

Race time is getting closer

Now we're ready to ride

HERE THEY COME.....  
whooooooo hooooo

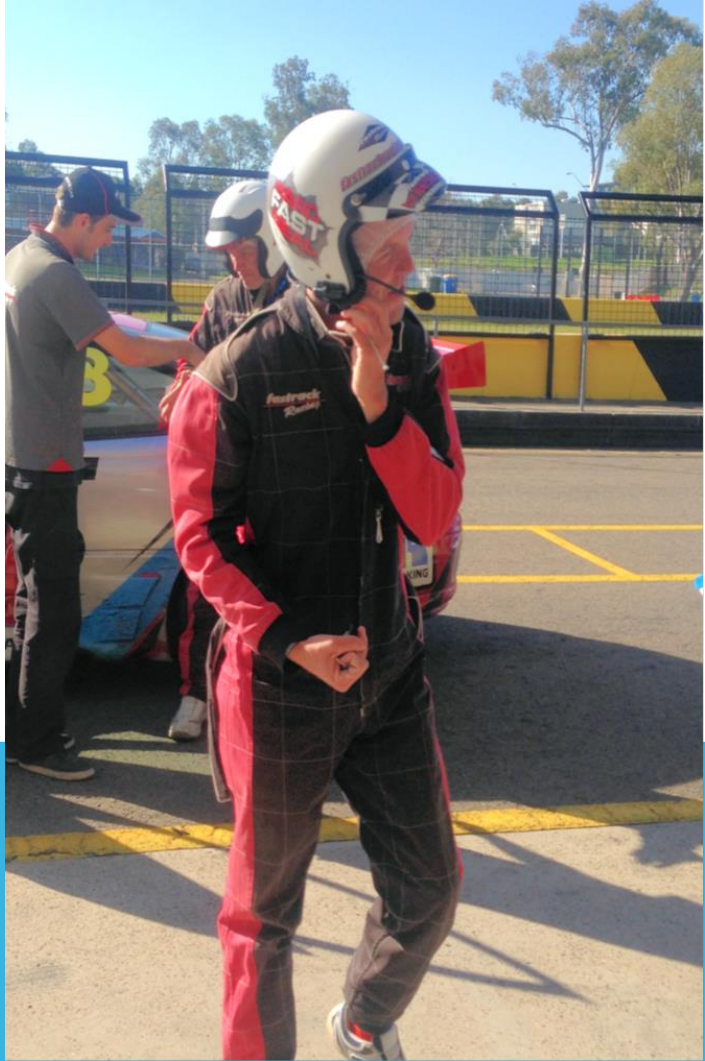

Where are they?

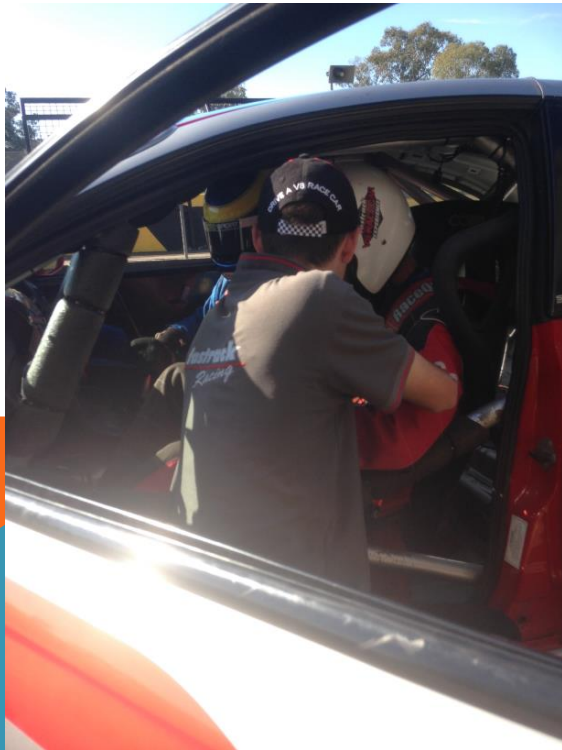

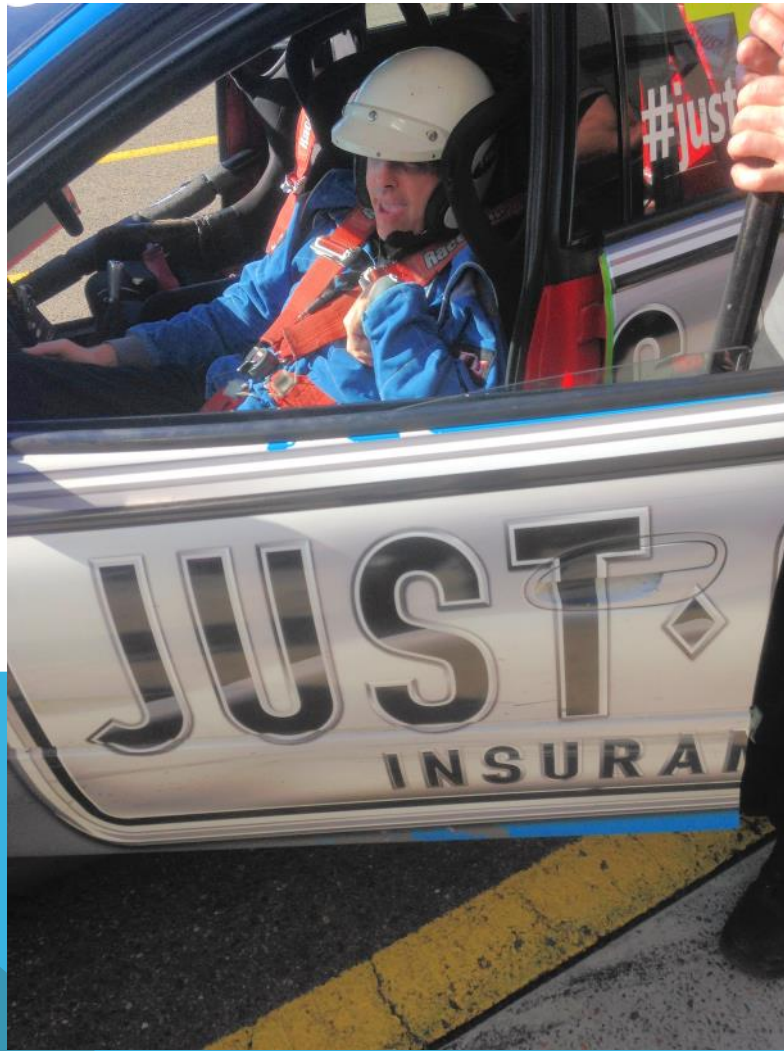

☹ it's over..... darn...

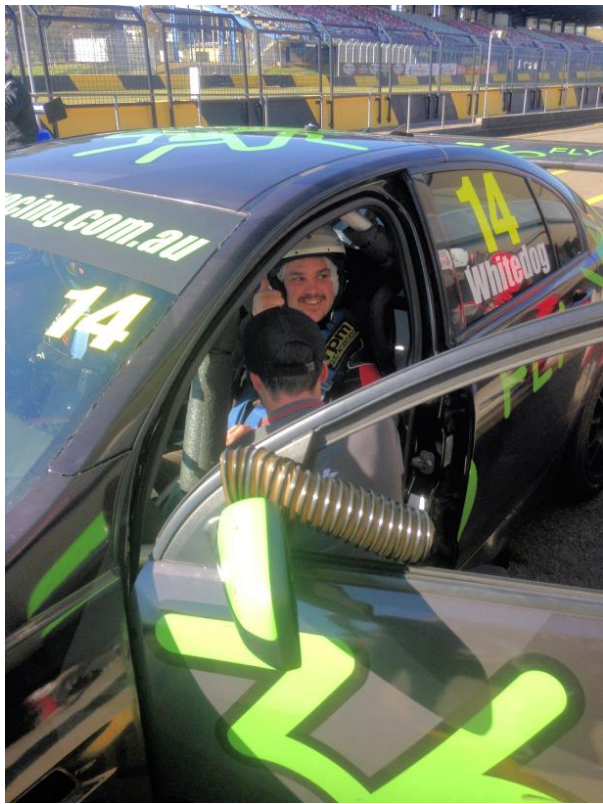

Off we go..... bbrmmmmmmmmmm

No Drew... you don't need your wheelchair for this... your on your own in the seat.... WTG

Happy chappy 😊

Photographer got a bit excited and busy to click the camera 😊

Anyway, all the guests were asking when are we coming back again? They don't even want to wait until next year.....

A long tiring day but so worthwhile for those who haven't had the opportunity before to be able to do what they wished for before.
